Good morning and welcome to services! We hope everyone has had a great Christmas break! Many of you have settled back into the school routine with others starting back this week and we pray for a wonderful second semester for everyone. This past week Susan Lane represented our youth group well by volunteering at the Stockpot. Well done, Susan!

We are so excited for Challenge Youth Conference in Dallas this weekend. We will be staying at the Marriott Las Colinas where the conference will be held. We are looking forward to wonderful singing, excellent lessons and great fellowship.

We have youth calendars on the youth board and are looking forward to a great 2023. Be sure and pick one up! DOUG

Only a Nail

A man wanted to sell his house in Haiti for two thousand dollars. Another man wanted to buy it; but, because he was poor, he could not afford the full price. After some bargaining the seller agreed to sell the house for half the asking price, with one simple stipulation. He would retain ownership of one small nail protruding from just over the door. Several years passed. The original owner wanted to re-purchase the house, but the new owner did not want to sell. The first owner found the carcass of a dead dog, and hung it on the single nail he still owned. Not long afterwards the house became available.

Sin in relationships is real. If we do not fight it daily and confess it when we fail, the devil will come and hang his decaying refuse on the exposed nail of our hearts. Therefore, let us resolve to confess our sins and enjoy God's forgiveness.

**Give Me The Bible T.V.
Conference on Saturday
Jan 28th
Plan to be with us.**

From Dan's desk:

The Annual "Give Me The Bible" television conference will take place two weeks from this coming Saturday. We hope that you will want to be with us for two live programs of "Give Me The Bible". All the preachers will be on hand that day to meet each of you. Many of you are acquainted with those men and will want to renew your association with them. If you have never met them, now would be a good time to become familiar with the regular panelists on the program. It will be a great day. The noon meal is furnished and the fellowship will provide an opportunity for spiritual growth. The New Year is in progress and many blessings are ahead. Be sure to pick up a copy of the events planned by the Elders for the year 2023. The New Year will provide additional opportunities for growth and development in God's Kingdom. Your participation is the key to success in any institution, and such will be the case for the Lord's Church here. I know that we are all thankful for the warmer weather. It appears from all forecasters that the warmer weather will be above average for a while until the next cool front. The Spiritual atmosphere is always great at Crockett Rd. We will look forward to having you all in worship tonight at 6 P.M. Bring someone with you.

Getting The Wrinkles Out

The testing of your faith produces patience. But let patience have its perfect work. -James 1:3-4

As a boy I used to sit and watch my mother ironing clothes. Out would come the rolled-up, wrinkled shirts, which had been previously dampened. The combination of the heat and pressure of the iron would take out even the deepest wrinkles-wrinkles I thought could never be ironed out.

God knows we've got wrinkles in our thinking and creases in our character. So He holds back His protective hand and permits unexpected trouble and even long-term difficulties. He uses these pressures to improve us.

We don't like it when we have to go through tough times. Nobody does. When the family has to deal with a long-term illness, it's hard on everyone. When a job is phased out and we're having trouble finding another one, it's rough. When we've made dumb decisions that strain relationships, we all suffer.

But think about it. Whenever we go through a time like this with our faith intact and our trust placed firmly in the Lord, we come out of it better and stronger. Someone has written, "Whatever does not kill me, strengthens me."

We really should rejoice, because it's God's way of applying heat and pressure so that He can "get the wrinkles out." **SELECTED**
