Good morning and welcome to services! I hear yesterday's Ladies' Brunch was a great success! Alison tells me our young ladies did a wonderful job on decorating, preparing food and presenting the program. Lily Rader and Susan Lane were presented with special awards for their service hours over the past years. They have qualified for the GOLD level Good Samaritan award this year for Lads to Leaders. Today is the LAST DAY to register for Lads to Leaders. Registration closes tonight and Alison will be in classroom 3 following worship this morning and worship this evening to finalize registration for each participant. We are looking forward to a great convention this year! Be sure to pick up a February calendar from the youth board to keep up with all the upcoming events! We hope you have a great week.

*For You, Lord, are good, and ready to forgive,
And abundant in mercy to all those who call
upon You.
Psalm 86:5*

YOU TELL ON YOUR-SELF

You tell on yourself by the friends you seek,

By the very manner in which you speak,
By the way you employ your leisure time,
By the use you make of dollar and dime.

You tell what you are by the things you wear,

By the spirit in which you burdens bear,
By the kind of things at which you laugh,
By the records you play on the phonograph.

You tell what you are by the way you walk,

By the things of which you delight to talk,
By the manner in which you bear defeat,
By so simple a thing as how you eat.

By the books you choose from the well-filled shelf:

In these ways and more, you tell on yourself.

Give Me The Bible Conference a great record breaking success.

From Dan's desk:

The "Give Me The Bible Conference" was a tremendous success with over 130 present from twenty different congregations. It was a wonderful day. Thanks to all who helped in any way as we mentioned last week. The ladies of the congregation were treated to a "Ladies Valentine Brunch" hosted by the young ladies in the Lads To Leaders" program. It was a great day for all of those in attendance. Please remember that we will host the Annual Valentine luncheon on Feb. 15th (Wednesday) for all who like to attend. It will take place in the activity building. Thanks to the youth for the beautiful decorations. The meat, tea and other condiments will be provided, but we do ask that the ladies please bring a side or covered dish for the meal. It will be a great day. Several activities will be a part of the day and we hope that you will plan to be with us. The luncheon will take place at 12 noon. Thanks to Ben for preaching and teaching the adult Bible class this morning. I am in New Diana speaking. Ben always does a great job and we are so thankful for his willingness to help when needed. I will be back to preach at Crockett Rd. tonight. We will look forward to seeing you tonight at 6 P.M. DAN

**TO KEEP
IN OUR PRAYERS**

GERALD WILCHER is in the Athens, Tex. hospital with pneumonia.

LINDA LIPPOLD is improving at home

DAVID CARDER is improving following brain surgery.

FRED KING is also improving from surgery this last Wednesday in Tyler.

JAMES SINGLETERRY is also doing better following recent hospitalization.

LINDA HAWKINS will have surgery on her leg this Friday in Tyler.

All others are doing better

Laughter The Best Medicine

Man: "Honey, on this Valentine's Day, I want to tell you something... I'm not rich like Jack. I don't have a mansion like Russell. I don't have a Porsche like Martin. But I do love you and I want to marry you." **Woman:** "Oh, dear, I love you too! What was that you said about Martin?"

"Stars Still Shine"

In a world of tremendous instability, we forget that God is still in control of all things. Several years ago, someone wrote: "Two men were walking along a country road one evening. One was bewailing world conditions. Everything was wrong — civilization was being swept away, religion was defeated, there was no future but darkness. When the speaker paused for breath, his friend pointed to the sky and commented, 'The stars still shine.'" In this age of scientific discovery, accompanied by man's desire for recognition and power, human society seems to be balanced on a powder keg. Scientific minds admit the possibility of a war that could wipe out most of the populace and set the rest back many decades. In addition to this, the economic situation is highly unstable. With the world becoming more wicked daily, potential dangers of various kinds are mounting. In view of it all, the human mind is highly disturbed. Fear, perplexity, anxiety and distrust are mounting on every hand. Even in the church there is unrest. Faithfulness to the Lord's standard is made more trying by the lowering of the moral standards of world society and a pulpit policy that fails to properly indoctrinate those who are baptized in the fundamentals of New Testament Christianity. No matter how dark it may seem, there is a God in Heaven who can "turn the lights on every night." How long has it been since you gazed at the heavens and was reminded of this one great truth.

"The stars still shine."
