Good morning and welcome to services! Hope everyone has a fun and relaxing spring break! We want to commend Susan Lane for spending Monday of Spring Break volunteering with our Stockpot crew! We are so proud of you, Susan! Our L2L scrapbook team met this weekend and it sounds like another creative scrapbook is in the works. We have a lot of L2L prep work coming up in the next several weeks to get ready for convention! We will be having a devotional tonight at our home. There was a sign up sent out over GroupMe and social media for items to bring, but if you haven't had a chance to sign up to bring something and haven't had a chance, please see Alison. We look forward to seeing everyone tonight! DOUG

"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

WHAT WILL YOU LEAVE TO OTHERS?

What is the greatest thing you could leave behind when you die? Some will say it is the gift of love. Showing your family members what it means to love and encourage them to show that love to one another. Others might say that the greatest thing we can leave behind is faith. Demonstrating to your family what it means to trust in God and encouraging them to also live by faith also. Love and faith are certainly important things to leave behind, but I think there is something else of equal, perhaps greater value that we can leave behind and that is hope. When you depart from this life you will be separated from those you love. You will not see them anymore in this life and they will not see you. During that period of absence brought on by death is there anything more wonderful to give your love ones than hope? The hope to see each other again. The expectation that because you live your life by faith and love in God you will see those you left behind again. This was the point of Paul's message in 1 Thess. 4.13-18. Paul also said, "If in this life only we are of all men most miserable." SELECTED

Fellowship, Next Sunday**

From Dan's desk:

We are so thankful for all who are in attendance. It is always a real pleasure to be in God's House on a Sunday morning. We continue to have new faces among us and that is great. Even though some forgot to move their clocks forward last week, we still had a good number in attendance. The extra light at the end of the day will make it easier for some to attend on Sunday evening. Some have difficulty driving after dark and now they will be able to attend. Our Lord continues to bless each of us in many ways. As we enjoy our blessings from the Father, may we continue to pray for those in Ukraine. The horrible tragedies of war is often beyond our comprehension. Russia continues to inflict tremendous damage on innocent lives including mothers and children. We pray for our nation that the leaders will do the right thing and give aid to the hurting. If we truly follow the teaching of Christ, how can we neglect to reach out to those who are hurting. I understand that the United States cannot be the policemen of the world, but when injustices and people are dying at the hand of horrible dictators, should we not do what we can to stem the tide of carnage and warfare. There are many Christians in Ukraine and ministers of the gospel and we pray for them that their lives may be spared and that soon this terrible war will be over before it escalates into something greater worldwide. We also pray that those who have inflicted such tremendous pain on innocent people will be brought to justice and that we can again enjoy a measure of peace on this earth. We hope that you will be praying to that end. May God continue to bless all of us as we work together in God's Kingdom. We hope to see each of you in worship this evening at 6 P.M.

WHY BE A MEMBER OF THE CHURCH?

Have you ever stopped to consider why you are a member of your church? In a world that is filled with religiosity, it is vitally important for us test all things and hold fast to that which is good because many false prophets have gone out into the world (1 Thessalonians 5:21-22; 1 John 4:1). With so much false teaching in our world we need to be willing to examine ourselves to be sure we are following the truth. We do not want to be surprised on the day of judgment to learn that we were following false doctrine (Matthew 7:21 -23). We should always have a "thus saith the Lord" for what we believe and practice in religion and an answer for those who ask us what we believe and why we believe it (Colossians 3:17; 1 Peter 3:First, I am a member of Christ church because of what it is called. Christ is the builder of His church. He is the one who purchased the church, it just makes good sense that the church would wear His name (Acts 20:28). 15)Second, I am a member of Christ's church because of what its members are called. I want nothing more and nothing less than to be a Christian. To wear a religious name that is not found in the Bible is not only unscriptural, but it robs God of His glory. I am a member of the church of Christ because its members simply call themselves "Christians." Thirdly, I am a member of Christ church because of its creed. While many religious groups have adopted man authored articles, creeds or confessions, the church of Christ has no man-made creed. The source of authority is the Bible alone. Fourthly, I am a member of Christ church because of its worship. The church of Christ strives to give God the kind of worship He is seeking, worship that is offered in spirit and in truth (John 4:23-24)Finally, I am a member of the church of Christ because it teaches the truth about who is lost and how they can be saved One must hear the Gospel to be saved (Romans 10), they must also believe that Jesus is the Son of God (John 8:24), be willing to repent of their sinful life (Luke 13:3), confess that Jesus is the Son of God (Romans 10:10),be baptized into Christ (Acts 2:38-47) and live faithful to Him until death (Revelation 2:10).I am a member of the church of Christ because it recognizes and teaches that no one be saved apart from the Will of God. The Crockett Rd. congregation still upholds the Truth and we will continue to do so in the future. DAN
