WELCOME VISITORS

WAKE UP! CHRISTIAN PARENTS

We have a major spiritual crisis in our nation. The latest polls show that 7 out of every 10 children raised in the church are leaving the church by their second year of college. The two main reasons for this is worldly influences and lazy parents. Many parents have forgotten that it is their Christian duty to raise their children up in the way of the Lord (Deut. 6:6; Prov. 22:6; Eph. 6:4). If you are not teaching your children about God by your example or teaching them the importance of God's Word, then you may lose your children to the world. If the current trend continues, the church will die out in America. We can defy the current polls by taking action and making time to teach our children about God in our homes. We should not expect our children to get all their education about God at church because it is not enough. Your children are being influenced by world in many ways. For example, when you send your children to public school, not only are they taught the fundamentals of education, they are taught that evolution is a fact instead of theory. They are being taught to think that we should not oppose worldly views. Instead, we should accept them and just call them alternative lifestyles. They are also being taught there is no absolute truth and many other things that are contrary to God's Word. Many of these teachings are coming from their textbooks. The world understands that if they can train our children with information like this, that they can change our nation. Adolf Hitler understood this, which is why he said: "Let me control the textbooks and I will control the state..." During a speech he delivered on November 6, 1939 Hitler said: "When an opponent declares, 'I will not come over to your side,' I calmly say, 'Your child belongs to us already.... What are you? You will pass on. Your descendants, however, now stand in the new camp. In a short time they will know nothing else but this new community.'" Parents, do not neglect your children.

From Dan's desk:

In lieu of having (Super-Tuesday) V.B.S. this year we are having what is called “Summer “LAMP CAMP”. The program is designed to help your children learn more of God’s Word and memorize it. Various activities will be held next week and we encourage you to bring your children each night. Doug and Alison are doing a great job in pulling this program together and spending a lot of time and effort in helping to build our young people. We will be hosting the Summer Youth Series this Tuesday night. Young people from all over area will be participating and we encourage all of our youth to join us for a wonderful evening. CALEB GRIFFITH (who just graduated from Brown Trail School of preaching) will be the guest speaker at 6:30 Tuesday night. We helped support Caleb while in school and he has recently been employed by the school and he will do a good job. Caleb’s dad works with us on “Give Me The Bible” and helps to get our program on various stations each week. His name is Robert Griffith and he does a great job of helping to produce the program each week. We have been working with him for almost 5 years now. During the Summer month, we are endeavoring to keep the church busy and active in various good works. See you tonight at 6 P.M. DAN

Do you know the three times that most people are in church? *When they are hatched, matched and dispatched.*

If your left hand doesn't know what your right hand is doing, you should consider running for a job in Washington. [Anonymous]

Some people are kind, polite and sweet-spirited --- until you try to get into their pew.

SIN'S ARITHMETIC

**Sin adds to your troubles,
Subtracts from your energy,
Multiplies your difficulties,
and will
Divide your interest in His work.
And its wages is death.**

**A wise old owl sat on an oak,
The more he saw the less he spoke;
The less he spoke the more he heard;
Why aren't we like that wise old bird?**
