

WILL GOD BLESS AMERICA?

Good morning and welcome to services! We had a wonderful week with Lamp Camp and are so appreciative of everyone who helped make it a success. We are so proud of the way our youth group stepped up and helped us lead our groups and activities. This week is camp week! Please pray for Mabry, Madison, Susan, Lily and Alison as they spend this week at Camp Red Oak Springs in Newton, TX. We hope they experience an uplifting week of spiritual growth! Please note there is no Summer Youth Series this week as it falls on July 4th. We will be back at it next week! We hope you all will stay after tonight for our annual watermelon supper!

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. “It is a small gift, but it comes from big hearts.” Thanks again for coming.

Some time ago a graduate of a high school in Colorado was censored for mentioning Jesus Christ in her valedictorian speech. The high school principal would not give her diploma to her at the graduation, and she was told she had to apologize. She didn't! Something is wrong! Have we become so secular-minded that school children can't mention Jesus Christ in their conversation--let alone in a public speech?

We will celebrate the 4th of July tomorrow. Do you know what it is about? Do you really? When I ask graduating high school seniors for an answer, most of them don't know. Because our legislature is more interested in standardize testing than education, the students aren't learning history.

We once lived in the land of the free, but no longer. Something is wrong when someone has to go to prison to get a Bible. And now the same mind-set of ACLU is trying to stop that in certain states.

May God bless us as we celebrate the birthday of America on Tuesday. This nation was founded upon the belief in God and His Son and the Word of God that was given to each of us as a standard for our walk spiritually. May the Lord who reigns above and below bless us again and may we always remain a nation UNDER GOD.

HAPPY BIRTHDAY AMERICA

July 4th 2023

Watermelon supper tonight

From Dan's desk:

It is great to be an American. God has given us this land, but not without cost. It is up to us to continue to make it free. This coming Tuesday we will celebrate our country's 247th birthday. In just three years we will celebrate year 250. How blessed our nation has been. We thank God for continuing to shower His favor upon the United States of America. In many respects we have turned our back on God. May we have a greater resolve this year to come back to our Father in Heaven. We are so glad that you have joined us in worship this morning. We hope you will remember that tonight following the worship service we will have our annual "Watermelon Supper". The watermelons are free and you will not only enjoy the watermelon, but the fellowship as well. The month of June is history and it has been a hot one indeed. Pray that we will get a reprieve from the excessive heat that we have experienced in June. Please pray for rain as well. The "Lamp Camp" program experienced by our youth went well and they continue to inspire each of us. Several of the young people have going to summer Christian Youth Camp at "Red Oak Springs" near Newton, Texas. They leave tomorrow morning. It will be hot, but they are young and they will enjoy, I don't know about the adults. Ha! Be sure and take note of all our visitors this morning and make them feel welcomed to our worship services. We hope to see you tonight at 6 P.M.

INDEPENDENCE DAY

It is that time of year again when we celebrate the independence of this great nation. The fourth of July has provided my family and me with many great memories throughout the years. As we reflect on this great day, we need to thank God for the blessings and privileges we enjoy in this great country. Not everyone in this world can proclaim his or her freedom as can we. However, there is an independence that all people of the world can come to know and share—freedom from the bondage.

Jesus proclaimed, "And ye shall know the truth, and the truth shall make you free" (Jn.8:32). All over the world, men and women are enslaved to sin, including thousands upon thousands, yea even millions in this land that prides herself in her physical freedom. Through a knowledge of the truth, and one's subsequent obedience to the truth, he is set free (Rom.6:17). DAN
