

I want to commend all of our young people for coming to class and worship even though the Covid virus has started again. I was sorry that our family could not be at services or class this last week because of having to be quarantined. We will look forward to seeing you all of you today. We are happy about REBECCA McCORD being baptized last Sunday evening. We welcome her into the youth group. She attends PHS as a junior. DOUG

A VOICE FOR GOD

"In the beginning was the Word and the Word was with God, and the Word was God." Word. Of all of the words Jesus could've used to describe Himself, what a strange word. Not a word. Not words. The Word. You see, words are the building blocks to communication. Without words there would be...(Get it?) Here's the thing about words, sometimes they need to be spoken! The Bible is the Word of God, the single greatest collection of words that has ever existed! But if there's no one there to proclaim The Word, "How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher?" (Romans 10:14) God saw a need for The Word to have a voice, and so He raised up John the Baptist. John 1:23 (John) said: "I am 'The voice of one crying in the wilderness: 'Make straight the way of the LORD...' Those seeking a purpose, those seeking peace, but most of all, those seeking the Savior John was talking about would find Him (Matthew 7:7)! "The Lamb of God who takes away the sin of the world!" The One mightier than John, whose sandal strap he was not worthy to untie, and who would baptize with fire and with the Holy Spirit. (Matthew 3:11). You see, the world didn't recognize its King, and the world needed to hear it loud and clear: its King had arrived. He had come with authority: fire and the Holy Spirit. And He had business to take care of—a pitchfork in His hand, a threshing floor to clean, grain to collect, and chaff to burn. John was the King's herald who loudly proclaimed the Word until He came. What about you? Phillip Jenkins

From Dan's desk:

The Lord continues to add souls to the church here. We were so happy about Rebecca McCord being baptized last Sunday evening. I had a study with her last Sunday afternoon and she expressed her desire to me to be baptized. Following the sermon on Sunday night, She responded and made the confession of Faith in Christ and she was baptized. We rejoice with her on this most important decision. She is a junior at Palestine high school. She has been taking notes on my lessons and I want to commend her. This is quite impression for a high school student. She is eager to learn more about God. Please make her feel welcome. All those who have been ill with the Covid virus are better and making continued improvement. For this we are grateful. We still have others who are recovering from surgical procedures and other illnesses. Thanks to each of you for being here today. In spite of the virus the Lord's Church proves to be strong and vibrant. We applaud the faith of so many in this congregation for your dedication and commitment to God our Father. The Monday Night For The Master program will begin again this month following the long Summer hiatus. The next Monday Night For The Master will take place on Monday evening Sept. 27th. This will be the last Monday of the month. Our Ladies Bible Class will resume again on Tuesday morning Sept. 7th. We encourage all ladies to be with us in the small fellowship hall. We will begin a new study of the subject of love. Books are ready. See you tonight. DAN

A car was involved in an accident in a street. As expected, a large crowd gathered. A newspaper reporter anxious to get his story could not get near the car. Being a clever sort, he started shouting loudly, "Let me through! Let me through! I am the son of the victim."

The crowd made way for him.

Lying in front of the car was a donkey.

ARE BIBLE CLASSES A WASTE OF TIME?

Why do we have Bible classes on Sunday and Wednesday? Do we have classes just because others have them? Do we have classes just so we can say that we are at least doing something? Until we come to learn the significance of them, we will not appreciate them as we should. If we appreciate them, then and only then will attitudes and attendance change for the better.

Bible classes are significant because they help promote the work of the church. The Bible classes are one avenue through which the Word of God can be taught. We certainly want to take advantage of every opportunity to teach and study from the Bible (2 Tim. 2:15; Psa. 1:1-3).

Bible classes are significant because they help provide a way for the elders "to feed" the flock. The apostle Paul, in speaking to the Ephesian elders, said, "Take heed therefore unto yourselves, and to all the flock, over the which the Holy ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood" (Acts 20:28). Peter declared to the elders, "Feed the flock of God which is among you" (1 Pet. 5:2). Through our Bible classes, we are helping the elders carry out their work.

Bible classes are significant because they help prevent unfaithfulness in the church. We all need encouragement in living the Christian life. Through our Bible classes, we can encourage and edify one another (Heb. 3:13; 10:24-25) to be strong in the Lord. See you Sunday

Bible classes are significant because they help prepare one for eternity. Who is it that has doubts about the importance of studying the Bible? We must come to understand and know God's will (John 8:32; 1 Tim. 2:4). The time we spend in studying the Bible in our classes is helping us to be prepared for eternity to come.

Are Bible classes a waste of time? I think not!
