There will be a widows and wid-
owers Thanksgiving luncheon this
morning after the worship service.
We encourage all widows and wid-
owers to attend. We will have plenty
of food, so please plan to stay.

There will be a devotional tonight
after the evening worship service in
the activity building.

"ON THE LIGHTER SIDE"

"But why can't I talk inside the library?"

Mandy asked her mother.

**"Because you have to be quiet. Noise is a
distraction and the people around you
can't read".**

**"Can't read," Mandy asked. "Then why
are they in the library?"**

**"I've never seen a hand so filthy" mother
said to Tommy. "Then take a look at this
one, as he held up the other".**

**"Doctor, I just can't pull myself together"
said the patient.**

**"Yes you can, just sit down here and tell
me what your problem is".**

**The patient said, "Well you see, I'm a pair
of curtains".**

**A little boy said to one of his sister's boy-
friends, "How come you show up every
night to see my sister, when you have one
of your own"?**

**A boy came home one night with a bad re-
port card and said to his father, "What do
you think's wrong Dad, my heredity or my
environment"?**

**"A MERRY HEART DOETH GOOD LIKE
MEDICINE." Proverbs**

THANKSGIVING DAY?
Thanksgiving Day is ap-
proaching rapidly. It is a
day for all people of the
earth to say ***"thank you
God"*** for what you have
given and continue to give
to us. We are a people
blessed by God. We
should however, never
cease to give thanks.
Paul said, **"Pray without
ceasing and in everything
give thanks, for this is the
will of God is Christ Jesus
concerning you".** I ***Thess.***

From Dan's desk:

We welcomed Breanna Jones and her children back to Crockett Rd. last Sunday. She had moved to Bullard, but is now teaching in Elkhart. We are glad to have this family with us. Breanna is a fine young lady and she grew up in this congregation. Welcome. Thanks for your favorable comments about the lessons last Lord's Day. We are grateful for our Veterans and all those who serve our country. Let's continue to pray for the families of those wounded and killed in Fort Hood, Texas last week. Thanks to those who went to Alto to the Gospel Meeting this last week. It was a personal encouragement and I know encouraging to the church there for you to come. I am excited about the upcoming events planned for the church here during the month of November and December. Please check the bulletin board and future bulletins about information concerning these special opportunities of fellowship. Thanks for being here this morning.
