

Teen News

Tonight we will be having our LTC award ceremony in the activity building to recognize all of our youth that participated in this year's LTC competition. The teens will be performing their skits and dramas.

We invite everyone to stay after the evening service tonight to support our youth.

We ask that everyone bring either sandwiches, chips, or deserts tonight for this fellowship.

SINGLES

We will be going to Seafood Village on Thursday, April 16th, at 5:30 PM. Please sign the sheet on the bulletin board, if you plan to be there.

THANK YOU

We want to thank our Christian friends for the prayers that were offered up for Ike Weatherly during his cancer treatments. His treatments are over with and he has had examinations by 2 different doctors and the tests show his cancer is gone.

GENTLE, CYNICAL LESSONS OF LIFE

The real art of conversation is not only to say the right thing at the right time, but to also leave unsaid the wrong thing a tempting moment.

The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a new replacement.

DID YOU EVER NOTICE: The Roman numerals for forty (40) are 'XL.'

If you think there is some good in everybody, you obviously haven't met 'everybody.'

The sole purpose of a child's middle name is so that he can tell when he's 'really' in trouble.

BIBLE HOUR

Tonight's Bible Hour will be presenting the story of:

"Jesus Walks on Water"

Hope to see you at 6 PM

SHACKED UP COUPLES

When I turned on my computer this morning I was greeted with an item which said, "Turns out getting married is becoming downright old-fashioned. Shacked up couples now outnumber those who've tied the knot."

Woe to those unmarried couples who have financial quarrels over rent, utilities, credit cards, etc., and show up before "Judge Judy". In no uncertain terms she will tell them that if they don't have a marriage license our courts have made no provision to settle such disputes, and they are on their own.

Does it seem to you that we are getting to the point in our society where the difference between right and wrong is either not discerned or else willfully ignored?

Or consider the overt promotion of homosexuality. Has some law been passed that requires every TV show to have at least a token homosexual? We must have "tolerance" our society says.

Those who offer objections are immediately branded with a sneer as "Fundamentalists." Yet fundamentals are absolutely imperative today. Athletes who ignore fundamentals make for a losing team. In fact, mastering the fundamentals is absolutely necessary in any discipline.

As a nation we enjoy the benefits of Christianity while tending to reject the source of those benefits. In the words of Richard Halverson, "Like parasites we are feeding on lingering blessings produced by the spiritual leadership and dedication of earlier generations; the blessings are fading, ethical and moral levels decline toward the increasingly degenerate society." We want to sow to the wind without realizing that we will reap the whirlwind.

An ancient prophet warned, "*Woe to those who call evil good and good evil, who puts darkness for light and light for darkness, who put bitter for sweet and sweet for bitter!*" (Isaiah 5: 20). Will we be wise enough to heed his warning?

Great attendance for Easter Service.

FROM DAN'S DESK..

We had a great attendance last Sunday. Easter Sunday is always a special time when families get together and friends come to visit. Even though we honor the Lord's death and resurrection in the observance of the Lord's Supper, it is uniquely nice to visit with old friends who come to worship with us. I am in Tipton, Okla. this weekend conducting a series of lessons and visiting with the Tipton Children's Home that we support. Bernie will be speaking this morning and Josh and the young men tonight. Our young people did great at L.T.C. this year. Dale and I went to be with them on Saturday. We were glad we did. We were encouraged by all they accomplished. They will be honored and receive their medals tonight following the evening worship service. This will take place out in the activity building. Thanks to all who helped in any way to make this special effort a great success.

PLEASE TURN OFF ALL CELL PHONES
OR PUT THEM ON VIBRATE.
