Glad to see you all this morning, hope everyone enjoyed their weekend. School is nearly out and Summer is fast approaching. With that said, if you are planning to go to Praise Camp it is the week of June 10th. If you have not done so already, you need to go online and register. The Car Wash to raise funds to alleviate the cost of camp is scheduled for Saturday June 2nd. Remember only those who participate will receive financial benefits. The Devo will be in the Activity Building following evening worship.

RESPONSES FOR PRAYER LINDA JOHNSON

Which seating section would you prefer for our offering?

Dear Lord,

So far today, am I doing all right?

I have not gossiped, lost my temper, been greedy, grumpy, nasty, selfish, or self-indulgent. I have not whined, complained, cursed, or eaten any chocolate. I have charged nothing on my credit card.

But I will be getting out of bed in a minute, and I think that I will really need your help then.

CHILDREN'S BIBLE HOUR

Tonight will be the last night for Children's Bible until September. We will dismiss for the Summer months.

Graduates 2012 Honored Today (We are Proud Of You)

From Dan's desk:

The month of May always brings with it numerous activities. One of those activities is the opportunities to congratulate our graduating seniors at a noon luncheon. We will have that opportunity to do that today. We hope that each of you will stay for this event. Our seniors this year are, MORGAN PERRY and BILLY BARNES and CHRISTIAN CASTILLO. Morgan is the daughter of TODD AND CHRISTIE PERRY. She will be graduating from Westwood High School this month. Billy is the son of GEORGE AND WENDI BARNES. He will be graduating from Westwood High School later this month. Christian is the grandson of PHILLIP AND CAROLINA CASTILLO. He will be graduating from Palestine High School. Our thanks to Adam and Diane Harding for the beautiful roses presented to the mothers in the congregation last Sunday. Thanks also to Sandy Singleterry for helping distribute them. Children Bible Hour will have their last Meeting tonight until the Fall session beginning in September. We are grateful to those who have worked in Bible Hour this last year. They have done a wonderful job of teaching and training these young people in the Way of the Lord. LINDA JOHNSON asked for the prayers of the church last Wednesday night. She acknowledged her need for forgiveness of sin. We commend her and continue to pray God's blessings on her. Tomorrow night is the last night for Monday Night For The Master until September. We hope you can come tomorrow night. The Tuesday morning Ladies Bible Class had their last meeting last Tuesday until September as well. The luncheon was great. See you all tonight.

Lives of the Rich and Famous

Many of us can identify with Mark Twain when he said, "I am opposed to millionaires, but it would be dangerous to offer me the position." How about it – would it be dangerous to offer you the position? Dangerous is not the word most modern Americans would associate with the opportunity to be rich. Delightful or delicious, maybe. But dangerous? No way. Here in 21' century America we have bought into the cultural sermon that is preached 24/7/365 — being rich would make you happy, and the richer, the happier. After all, don't the commercials and movies and magazines and music and other cultural messages stress that if you have it all then you have it all?! Only one thing messes up that message and stands in the way of its universal acceptance – human experience. Some of the unhappiest, most miserable people on earth are people who seem on the surface to have it all. The evidence is in, and it proves irrefutably it is possible for people to attain the wildest fantasies of material success and fame and popularity and pleasure, and still fall miserably short of living a happy and fulfilled life. Many have been wealthy but lost their souls.

Their lives remind me of a phrase coined by movie critic Ben Beard to describe the multi-billionaire Howard Hughes whose own life came completely unraveled at the end. Beard said Hughes had a "grand, miserable life." Beard described Hughes as: "Pilot. Genius. Inventor. Moneymaker. Film-maker. Hughes wore a dozen hats and excelled at everything, except living"
