WORRY, WORRY, WORRY

Everyone knows the signs: sleepless nights, sick stomachs, mental breakdowns, deep depression, hiding away, high blood pressure. turning to drugs and alcohol, etc... These are indicators an individual has fallen victim to his own worry.

Worry eats people alive, and Christians are not immune. It touches the lives of virtually every family and affects millions of people every single day, touching all walks of life in myriad circumstances: The educated worry because of everything they know, while the uneducated worry because they know so little. The rich worry because they have so much, while the poor worry because they have so little. The old worry because they aren't young, but the young worry because they aren't older.

Worry takes so much time for so many folks, interfering with everyday action, sometimes even making people physically ill. It remains, however, one of those silent problems few seem to want to talk about. This is not just a psychological issue, though, and there may be many who would be surprised to learn that worry is prohibited by God ([Matthew 6:25-34](#)). "Therefore I say to you, do not worry about your life ..." ([Matthew 6:25](#)).

The unfortunate fact remains that many Christians do not consult the word of God for their daily problems, failing to realize that anything can be properly addressed using the wisdom and knowledge from God. Yet, these same people will consult doctors, read worldly books, listen to what Oprah or Dr. Phil has to say, etc. We need to address worry from a biblical standpoint, realizing it as a problem and habit that can cause us to be lost eternally.

V.B.S. Great Success**

From Dan's desk:

I am so grateful for the increase the Lord God is giving each week. Last week, Two precious souls were baptized into Christ. Belinda Mitchell (mother of Brandy Baker) was baptized into Christ for the remission of sins along with J.C. Stanton following our study together. We are so happy for them and welcome them into our fellowship here at Crockett Rd. It is great to have them. Also on Sunday Justin Laurent responded to the call of Christ to be restored in the faith. Justin has been out of duty for some time and felt the need to get closer to the Lord. We commend him for taking this step. Our Vacation Bible School was a great success. We appreciate all those who helped with the day in any way. We had a good attendance and many worked hard to make the day a memorable one indeed. Thanks to Adam Harding and crew who helped inflate the balloons for the launch prior to lunch. Thanks to Jerry Thompson for the magic show. Many congregation have gone to the one day school instead of the week long effort because of so many conflicts and scheduling. The teachers worked hard and did a great job and we appreciate each of them for what they did. Thanks to the refreshment committee and to those who came last week to help set up the classrooms for the event. I begin a Gospel Meeting with the church in Grapeland today. My thanks to Kyndall Aldrich for preaching for me in my absence this morning and tonight.

GOSPEL MEETING

The Grapeland Church of Christ invites you to attend their **GOSPEL MEETING** this week June 26-29th. Dan will be the guest speaker in the meeting. Services each night Monday through Wednesday at 7 P.M.

BRIDAL SHOWER

There will be a bridal shower honoring **WHITNEY LOWE** this afternoon Sunday, June 26th, at the home of Sonda Baker between the hours of 2 p.m. to 3:30 p.m. All the ladies are invited to attend.

For a couple years I've been blaming it being tired on lack of sleep or too much pressure from my job, but now I've found out the real reason that I am always tired. I'm overworked.

The population of this country is 237 million. 104 million are retired. That leaves 133 million to do the work.

There are 85 million in school, which leaves 48 million to do the work.

Of this there are 29 million employed by the federal government, leaving 19 million to do the work.

2.8 million are in the Armed Forces, which leaves 16.2 million to do the work.

14,800,000 people work for State and City Governments. That leaves 1.4 million to do the work.

At any given time there are 188,000 people in hospitals, leaving 1,212,000 to do the work.

Given that there are 1,211,998 people in prisons, that leaves just two people to do the work, you and me.

And you're sitting there reading the church bulletin.
