"WE DON'T
HAVE TO BEAR
THE PAIN ALONE"

By Dan Manuel

Have you ever felt that you would like for the world to stop and let you off? Sometimes we feel that we just can't go on in this life. We feel that we are like a volcano ready to explode inside. What should we do in times like these? Sometimes we take our frustrations out on the wife, husband, children, or even the cat or dog, whichever gets in the way first. Many others turn to alcohol to escape the cruel world in which we live. King David offered another answer. "Cast your cares upon the Lord", Psa. 55:22 The beautiful thing about God is he really wants to help us. He always stands ready and willing to give us strength in our troublesome moments. He wants to carry our burden. Jesus, even in his darkest hour, cried out to God, "Father into your hands I commend my Spirit". Jesus trusted in God's love. He had faith in the righteousness of God. When the pain became so extreme, he placed himself in God's hands. This is no doubt a tremendous lesson for us. Peter said, "Cast your cares on him for he careth for you".

GREAT V.B.S.
It was a Wonderful Week.

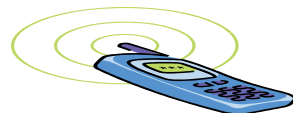

From Dan's desk:

The flower arrangement in front was given by Jan Todd in honor of her father, Elmer Rudy Sharp

Our Vacation Bible was well attended and we are so grateful to all the teachers and their assistants and anyone who helped with V.B.S. this year. Thanks to Larry Baskin for driving the bus and for Bob and Dale, Ike and Robert Duzan who came up to the building to help rearrange furniture. We hope and trust that the effort expended to teach these young children about God will bear fruit in weeks, months and years to come. Last Sunday morning, ANN SPARKS responded for prayer. We love and appreciate her tender heart and continue to pray for her. We had several visitors last Sunday and a number of our folks back from vacation. I am sure that there are others who are away today, but this will be the case for the Summer months. Continue to pray for our brothers and sisters who are away on trips. Thanks for being here this morning. We will look forward to seeing you tonight.

**PLEASE TURN OFF ALL CELL PHONES
OR PUT THEM ON VIBRATE.**

**TO KEEP
IN OUR PRAYERS**

JEAN LONG remains in ICU unit at Trinity Mother Frances hospital in Tyler. ELMER ALFORD continues to undergo cancer treatments and is not to be in crowds at this time because of his immune system. GLENDA WILSON is also undergoing treatment for cancer. It was good to see her on Sunday.

ORAN BENGE, SYBIL PERRY are awaiting tests and results. SADIE SPARKS, sister in law of Dale Sparks, is seriously ill and undergoing treatments.

Remember others who continue to undergo treatment for cancer: GARY OLIVER, ED FURMAN, DONNA FREEMAN.

SYMPATHY: is extended to JEANETTE ALFORD on the death of her sister SANDRA MORRIS who passed away last week. Her services were held last Wednesday.

We are so grateful to the young people who help with Vacation Bible School this last week. They are always willing to give of their time and effort to help. Thanks to the parents for encouraging them to participate and to serve the Lord in this way. It was a great school.

**RESPONSE:
FOR PRAYER &
REDEDICATION**

ANN SPARKS

*If I could catch a rainbow
I would do it just for you.
And share with you its beauty
On the days you're feeling blue.
If I would build a mountain,
You could call your very own,
A place to find serenity;
A place to be alone.
If I could take your troubles,
I would toss them in the sea.
But all these things I'm finding
Are impossible for me.
I cannot build a mountain
Or catch a rainbow fair.
But let me be what I know best,
A friend that's always there.*

"Be cheerful. Keep the corners of your mouth turned up. Hide your pains and worries and disappointments under a smile."
