FELLOWSHIP LUNCHEON TODAY

**LET'S PRAY FOR
OUR TEACHERS
AND STUDENTS
AS THEY RETURN
TO THE CLASS-
ROOM THIS
SCHOOL YEAR**

Our Fellowship Luncheon Will honor our Teachers Today.

From Dan's desk:

It is good to see everyone today. This morning following the worship service, we will have our annual back to school fellowship luncheon. We will at this time pay special recognition to the teachers in the congregation, both public school teachers and those in our education program here at the church. When teachers and students go back to school, there are always transitions that have to be made. We want to continue to keep them in our prayers as they face the challenges and adjustments that will be made this school year. Today is promotion day in our Bible classes. We are so thankful for those who teach in our education program. We have been blessed with great Bible School Teachers who spend many hours in preparation for teaching others in our Bible classes. We have posted a new list of the teachers and classrooms for the year 2013-2014. Children's Bible Hour will resume soon. We will be telling you more about this as the time draws nearer. If you would like to help in Children's Bible, please contact me or Dale or Mary Jo Thomason. Thanks for your comments about the lessons last Sunday. I regret that the powerpoint would not work on Sunday morning. My thanks to Charles McCullough for running the powerpoint on Sunday evening. He did a good job. It is always nice to have a backup. Please be reminded that we will be having the "Back To School" fellowship luncheon today after worship services. It is always good when we can get together and share a meal together. We want to also pay tribute to our teachers on the staff here as well as those in our congregation who teach in public education. We have several teachers in the church and we want to recognize them publically. DAN

PLEASE TURN OFF ALL CELL PHONES

TO KEEP IN OUR PRAYERS

MARK JOHNSON will have a heart cath soon.

BOB STECH did not have the procedure to shock his heart, because a test before showed his heart rate was normal.

SARAH FOREMAN remains in the hospital in Tyler.

CONTINUE TO REMEMBER: Gary Oliver, Ed Furman, Marjorie Myers & Linda Allen.

The Best Teachers

Teachers open up young minds, showing them the wonders of the intellect and the miracle of being able to think for themselves.

A teacher exercises the mental muscles of students, stretching and strengthening, so they can make challenging decisions, find their way in the world, and become independent.

The best teachers care enough To gently push and prod students to do their best and fulfill their potential.

You are one of those.

Thank you.

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts." Thanks again for coming.

"TURNING THE OTHER CHEEK"

"You have heard that it was said, 'An eye for an eye and a tooth for a tooth.' But I say to you, Do not resist an evildoer. But if anyone strikes you on the right cheek, turn the other also; and if anyone wants to sue you and take your coat, give your cloak as well; and if anyone forces you to go one mile, go also the second mile" (Mt. 5:38-42).

A big sergeant from a Highland regiment, serving many years ago in Egypt, was asked the circumstances of his conversion: "What was it that turned you to Christ?" He told of a private in his company years before when he was serving in Malta. This private was frequently harassed by other soldiers for his religious faith. One night the private came into the barracks quite late. It was a very rainy night. Before getting into his bunk, he knelt, as was his custom, to pray. The sergeant picked up one of his boots, which was heavy with wet mud, threw it across the room and hit the private in the side of the head. The private said nothing. He wiped the mud from his face and crawled into bed. The next morning, however, when the sergeant woke up, he found his muddy boots cleaned and polished by his bedside. He said: "It broke my heart. "One religious group has an advertisement on television which shows a rude driver of an off-road vehicle who intentionally splashes mud all over a bicycle rider. Later down the road, his vehicle has broken down. The bicycle rider arrives on the scene, looks at him sternly for a moment, then smiles and tries to help him fix the problem.

Turning the other cheek is not easy. The first inclination is to strike back, to get even, or to seek revenge. The route Jesus urges upon us is the behavior which is more likely to influence the other person for good. It is not something which Jesus merely commands, because Jesus practiced this ethic all of his life, especially in his death. Let us all take his teaching and his example to heart on turning the other cheek and attempt to put it to practice in our lives.
